High School	Medical Research	

Project Description

1. Describe the project that you – or someone you know – has done with outcomes that serve to advance the Ontario research, education and/or innovation landscape, while using the ORION network and/or Nebula cloud services. (150 words)
2. Summarize the impact of this initiative, focusing on results, findings, benefits, and advancement to research, education or innovation. (250 words)
3. Why do you consider this nominee to be a leader within his or her category? (250 words)

If available, please attach supporting materials, i.e. web address, images, link to videos, etc. Send your completed application to Valerie Lam at valerie.lam@orion.on.ca by March 14, 2016.

Thank you for your submission.
Winners (nominees and nominators) will be directly contacted in the Spring.
